MyRoots2Me

Helps you to
discover you!

Welcome Aboard!
I'd be happy to help!

Vision: Help clients
discover and fill in their
genealogical gaps.

**The "Present" we
may know! It is the
"Past" that eludes**

*A leaf will eventually fall to the ground and return
to the soil from which it came.*

If you don't know your family history, you are a leaf on a
tree that doesn't know it's even part of a tree.

**Once you know, you can fall with the
knowledge that you will nourish
those who will grow after you.**
