

1630s

All the below & Francis Benton I, Edey, Thomas, Jackson, Christie, Wofford, Caterne,
& Many, Many, Many, Many Unknowns

512-7thGPP

1660-70s

All the below & John Benton Sr., Lawrence , Shaw, Rhodes, Warner, & Many, Many, Many Unknowns

256-6thGPP

It is truly amazing to ponder the number of different, unknown people (somewhere in the world) that have to come together at some point in history, in order for “me” to have “life.”

My “BENTON” is just ONE Branch Out of hundreds of branches.

↓↓↓ HISTORY ↓↓↓

Early 1700s

All the below & Moses Benton, Burwell, Henderson, & Many, Many Unknowns

128-5thGPP

← ← ← ←
Look at all the “Great-Grandparents” (GGPs) we have, the further we go back. These numbers can be reduced a little due to intermarrying within families, but it still a great deal of GGPs.
